INTRODUCTION.

In laying this little work before the public I trust that it will prove a useful aide memoire, not only to sojourners in Singapore, but to foreigners and others passing through the port, in whose interests principally this work has been undertaken. Singapore being, as we all know, a great port of call, a large number of foreigners touch here by every mail, en route to China and Java ports, Manila and elsewhere, and these, it is hoped, will find in this work a real guide, and a protection against imposition on the part of our Jehus, which appears to be an every-day occurrence in Singapore.

The Singapore Jehu has various knacks of fleecing strangers. One of his methods is as follows. A new-comer in Singapore takes a hack, and let us suppose, wishes to be driven to the Water-Works, Thompson Road. The syce instead of driving him there direct, takes him over half the Island with the object of making the journey appear a considerably long one, and obtains double or treble the amount of his proper fare. In some cases cabby is actually ignorant as to his destination. At the same time his ignorance is to him a source of profit, for after driving here and there he at last ascertains where he has to go, and demands an exorbitant sum.

It is with the object of preventing any body from being thus victimised, that *The Strangers' guide to Singapore* has been compiled. It contains much useful information regarding Singapore, and with a copy of it in his hands, it is hoped the traveller or the new comer will be safe against imposition.

The guide map of Singapore town which this work contains, includes the principal residences and places of interest, each with a distinguishing number, which could easily be traced by reference to the "key" to the map. There is also a plan of Commercial Square showing the different places of business, and a plan of the Government Offices, all of which have been carefully prepared and are reliable.

THE STRAITS SETTLEMENTS.

The Colony known as the Straits Settlements was transferred from the control of the Indian Government and made a Crown Colony on 1st April 1867. It comprises Singapore and the adjacent islands, Penang, The Dindings, Province Wellesley and Malacca.

The Straits Settlements ports are wholly free from import and export duties. The only tax to which vessels entering the port are liable, consists of light dues at the rate of 2 cents per ton register in support of lighthouses.

The revenue of the Colony is derived from various sources, principal among these being fees for licenses (opium, and spirit farms), from land, stamp duties &c.

The Government of the Straits Settlements consists of a Governor aided by an Executive and Legislative Council, the latter body comprising 9 official and 7 un-official members.

SINGAPORE.

The Head quarters of the Government is at Singapore. The Island of Singapore is about 27 miles long and 14 miles wide and contains an area of 206 square miles. The town of Singapore which is the seat of Government, is at the southern point of the Island. Here are situated the principal wharves and landing places, public buildings and mercantile godowns.

CLIMATE.

The climate of Singapore is a moist one. There are no regular seasons but showers of rain fall frequently. In 1888

there were 128 rainy days. The greatest number of rainy days since regular observations commenced to be kept in 1869 was 209 in 1870, and the lowest 119 in 1877. The rainfall in 1888 was 65, 56 inches. The maximum Temperature in the same year was 91. 5 deg. Fahr. on 5th December, and the minimum 67. 2 on 1st February.

CURRENCY.

The Straits Settlements currency is in dollars and cents—100 cents=1 dollar (\$). The present value of the dollar is from 3 shillings to 3/1 of English money, or about Rs. 2-1/4 of Indian money. The silver coins current are 50, 20, 10 and 5 cent pieces, and the copper coins 1 cent, 1/2 cent, and 1/4 cent pieces.

PRINCIPAL PLACES OF INTEREST.

ST. ANDREW'S CATHEDRAL.

The present edifice was opened for Divine Service in 1861 and was constituted the Cathedral Church of the Diocese in 1870. It has accommodation for about 600 people. Most of the seats belong to such of the congregation as pay for them, but a certain number of them are free seats. At the 7 A. M. Sunday services, all the seats are free. The Cathedral is open to the public from 10 A. M. to 5.30 P. M. daily, during which hours the Vestry Clerk is in attendance. The hours of divine service are on Sundays at 7 and 11 A. M. and at 5.30 P. M., and on week days at 5 P. M.

BOTANICAL GARDENS.

This is one of the principal sights of Singapore. It is situated 4 miles from town, and the drive from Johnston's Pier or Commercial Square will occupy about 20 to 25 minutes. Besides the various lawns, containing plants, flowering shrubs, and palms of an ornamental character, the following are some of the principal objects of interest:—

- (a) The Nymphaea pond containing varieties of water lilies and lotus flowers.
- (b) A large lake with a small island in the centre.
- (c) The aviaries, containing a large collection of birds indigenous to the Malayan Peninsula, besides specimens from all parts of the world.
- (d) The large plant house, erected in 1884 at a cost of \$6000 wherein may be seen a collection of about 2000 flowering and ornamental plants, ferns and orchids.

The Gardens are open to the public daily from sun rise to sun set, and on nights when the Band plays, to 11 P. M.

CATHEDRAL CHURCH OF THE GOOD SHEPHERD.

The corner stone of this edifice was laid on 22nd June 1843. It has a spire 161 feet high. The building was extended in

1888 and now affords accommodation for about 900 people. The un-numbered pews at the lower end of the Church are free. The hours of Divine Service are as follows:—Sundays—Low Mass at 6 and High Mass at 8 A. M.; Vespers and Benediction at 5 P. M. Week days at 6 A. M.

CHRISTIAN CEMETERY.

The Christian Cemetery is situated on the Bukit Timah Road, about 2 miles from Johnston's Pier. It comprises an area of about 19 acres and is very neatly kept up. It is divided into two portions, one portion being devoted for the interment of those of the Protestant denomination, and the other for those of the Roman Catholic persuasion. European Wards are subdivided into Officers' Quarters and General Wards, the former consisting of 4 rooms up-stairs and 2 down-stairs, and the latter of 3 open wards and 2 small private rooms. A female hospital is attached to the General Hospital which has 6 beds for Europeans, and 6 for Natives. The staff of the hospital consists of a Resident Surgeon, two Apothecaries, a Matron, and 8 Nursing Sisters, all of whom reside on the premises. There is also a large staff of trained hospital attendants (natives).

The following rates are charged to patients who are not in the service of Government:—

Officers' Wards.....	\$2.50 per diem.
General Wards.....	1.25 " "
Female Ward.....	1.00 " "
Native Wards.....	0.16 " "

For Government servants, there is a reduced scale of charges, varying from 10 cents to \$1, according to rate of patients' salaries.

GOVERNMENT BUNGALOWS.

There are three Bungalows, built at the public expense, which are used as Sanitaria in Singapore.

Changie Bungalow, the best of these, faces the sea, and is situated about 15 miles from Johnston's Pier by road. It is about two hours' steam by sea from Johnston's Pier. It is completely furnished, and has a swimming bath attached to it. The charges are \$2 per diem, \$10 per week, or \$25 per month.

Bukit Timah Bungalow is built on the summit of Bukit Timah hill, an altitude of 519 feet above sea level. The distance from Johnston's Pier is about 7½ miles. Here also every thing is found except linen. The charges are the same as for Changie Bungalow.

Seletar Bungalow is situated about 9 miles from Johnston's Pier and is similarly furnished as the Bukit Timah Bungalow.

Although inferior in point of situation and surroundings to the other two Bungalows, yet it is pretty frequently in request. There is a good swimming bath attached to this Bungalow. The charges are lower than for the other two, being \$1 per diem, \$5 per week, \$12.50 a month.

All applications for these Bungalows should be made in writing to the Officer in charge of Public Works. When more than one application is made, priority will be given to applications from Government Officers, after them from Military Officers, and after them from private individuals, in order of date.

LUNATIC ASYLUM.

This Asylum is built on the side of a hill about half a mile from the General Hospital.

In the male portion of the Asylum there are 10 blocks of 10 cells each, two Association Wards, an European Cottage, and a Native refractory Ward, affording accommodation for 284 patients in all. Workshops are also attached in which the tractable patients are taught weaving and a variety of manufactures.

In the female portion there are 3 blocks of 10 cells each and a cottage for Europeans, also a work shed and dining room.

The Asylum is in charge of a Medical Superintendent who is assisted by an Apothecary. The female patients are looked after by a Matron. There is also a staff of trained Bengali Warders.

The charges are:—

For Europeans.....	\$1.50 a day.
" Natives from Straits Settlements.....	0.15 "
" " Native States.....	0.30 "

For Government Servants, the same charges are made as in the General Hospital.

RAFFLES LIBRARY AND MUSEUM.

The present building was erected at a cost of \$31,000 and was opened by Sir Frederick Weld in October 1887. It was occupied in January 1888. The Library is open to the public but only subscribers are allowed to borrow books. The hours of opening of the Library and Museum are from 10 A. M. to 6 P. M. daily, Sundays excepted, and also from 7 to 3.30 P. M. on Wednesdays and Saturdays. The Curator resides on the premises.

WATER WORKS.

IMPOUNDING RESERVOIR.

The Impounding Reservoir is situated on Thompson Road, about 4 miles from Johnston's Pier. The town water is supplied from this source. The Reservoir is well worth a visit. There is a furnished Bungalow on the premises which is open to the public. Application for the use of this Bungalow should be made to the Secretary to the Municipal Commissioners. The charges are \$3 per day, \$12 per week and \$33 per month.

From the Impounding Reservoir, water is conveyed to the

LOW LEVEL RESERVOIR

at McKenzie Road, foot of Mount Sophia, by means of 24 C. I. Pipes. It is then pumped up to the High Service Reservoir on Mount Sophia. The grounds here are well laid out and seats are provided under the large shady trees of which there are a number about the place. This is a favorite resort for promenaders.
